Dear Families and Participants of Online Day Program Supports and Services:

Unfortunately we are unable to conduct “business as usual”. Currently it’s a time of great stress and uncertainty due to the pandemic. It’s also a moment in time when the work we’re doing is most critical.

We have been closely following the advice of public health authorities, and the time has come for us to take the step of temporarily closing down our online day program supports and services. Due to Covid-19 staffing concerns we have made this difficult decision so that we can prioritize available staffing capacity in our congregate care settings where we have been stretched to our limits. Our online day program supports and services will be closed effective January 4 2022 until further notice.

We truly hope we will be able to return to our normal operations as soon as possible. We will keep you informed about any updates we might have, through phone or by email.

Community Living York South wishes you a Happy New Year.
