

## Social Skill Group

We are pleased to offer an innovative and inclusive communication and social skill group for kindergarten to elementary aged children in a fun and interactive environment. For optimal engagement and individualized attention for each student, group enrollment will be limited to a capacity of 7-8 children. The program is so dynamic through different interesting activities such as science, arts, game, and music.

### Students will learn about:

- Turn-taking skills, Initiating, Joint attention
- Communication functions such as greetings, requesting and commenting for food, actions, help etc.
- Answering choice questions
- Understanding of words, phrases, and simple directions
- Phonetics (depending on individual course)
- Emotional expression
